Phar Lap Timaru Promotions

In association with Timaru Tourist Promotions Ltd

Phar Lap needs your support to keep his legend alive in his home of Timaru. Much work has been done to build 2 statues in memory of this world champion racehorse. One carved in limestone and placed on the ground where he was born and another life like image with his jockey cast in bronze on the racecourse bearing his name.

We now need to promote these great images of Phar Lap to tourist around the world and we also need more funds to finish the work on the sites. With this goal in mind we are appealing to the friends of Phar Lap to make a contribution to help us complete the work of promoting this great world champion in the district where he was born.

We have built a special Phar Lap page on the website www.timarudirectory.co.nz. and you can read the real story of Phar Lap online. If you would care to make a donation of \$100 or more we will recognise you as an official Phar Lap sponsor on the Phar Lap promotions page
